

# Jigsaw Puzzle Masked Ball

The image illustrates the assembly of a jigsaw puzzle titled "Masked Ball". It features a central 3x3 grid of puzzle pieces, with the top row highlighted in grey. To the left of the grid, a red arrow points from a small 1x1 puzzle piece towards the grid. Below the grid, there are 11 individual puzzle pieces arranged in three rows: the first row has 4 pieces, the second row has 3 pieces, and the third row has 4 pieces. On the far left, a vertical red bar contains a yellow puzzle piece icon at the top and two cartoon children's faces at the bottom. The puzzle pieces themselves show various scenes from a party: a group of children with balloons, a pirate, a superhero, a boy with a sword, a girl with a wand, a boy with a sword, a girl with a cat mask, a girl with a witch hat, and various balloons.
